Listening games

How can you help your child at home?

1. Chat to your child about their day at school.
2. Read and discuss the book chosen by your child.
3. Look and read signs and labels at home.
4. Help with counting and recognising numbers 1-10.
5. Make sure your child has the best start their day with a healthy breakfast.

This topic information has only outlined certain activities taken from our detailed cross-curricular planning, covering all the learning objectives.
