Dear Parents,

## Year 5/6

This year is the final year for year 6 and a new opportunity for year 5. During the year there will be many enrichment opportunities offered to your child such as the visit to the theatre in Keswick.

A variety of out of school clubs will be on offer again this year: these include football and netball and if your child is interested they are very welcome to join any or all of these.

As a school, we strive to help your child achieve his/her full potential in every area and to this end we will work hard to ensure this happens. In return we expect the children to apply themselves fully and success should follow.

This year your child will be put into one of three set groups for numeracy. French will also continue but now with Mrs. Dougherty, a language teacher providing our language education. Your child will be given homework each night which will include reading, mental maths work, spellings and science vocabulary.

Accompanying this letter will be some very useful information including an outline of the academic year's work in most subjects. Games kit can be a problem for some children to remember so if you can ensure that your child has his or her kit on **Wednesdays** and **Fridays** I would be very grateful.

**Parents' Evenings will be October 12th and 13th** and will be an opportunity for you to meet me and raise any concerns you may have about any aspect of school. Do feel free to speak to me or any other staff member about any queries you may have.

Finally, here's to an enjoyable and successful year.

Yours sincerely

**Russell Smith**
