Dear Parents,

I am very pleased to welcome your child to year 34KG. Each day starts with registration, so should you or your child have any messages or concerns, they can be brought to me before the day starts.

It is good to see everyone in their uniform, it is very important that all belongings are named clearly so that they can be returned easily.

A big thank you to all those who have sent PE kit into school. From now until next July we will need P.E. kit on Tuesday for PE and Thursday for games. P.E kit should include a plain white T-shirt and navy or black shorts. We do Art and Technology on Fridays and the children will need an old shirt as a painting apron.

Most children are remembering to take their reading book home each night and return it the next day. They do not have to read the whole book. Reading for 10 minutes includes discussing what has happened in the story, what might happen, who wrote the book and what do the pictures tell us is sufficient. Please make notes in the homework book, where messages can also be written. Other homework includes learning spellings, these are given on Monday with the test on the Friday. There will also be some written homework.

I am looking forward to this year as an opportunity to ensure every child enjoys school and makes the most of themselves, to achieve the best results of which they are capable. A good learning environment is vital to this aim and so I expect your child to keep to the school's established standards of behaviour towards adults and fellow pupils and to take pride in his or her work and our school.

Everyone has settled very well but if you do have any queries or problems please come and have a chat. After school at 3.15 pm is a better time than first thing in the morning.

I look forward to seeing you all again at one of the Parents Evenings on the **12th and 13th October** to discuss how your child has settled in.

Yours sincerely
