

# Breakfast...

Possibly the most important meal of the day and the busiest time of the day in the home....

## May we help?

We have been asked to look into the possibility of providing a breakfast for children at school.

It would consist of toast, butter and jam or marmalade, cup of tea, fresh orange and cereal with milk.

It would be supervised and be on the junior site.

Children would arrive at 0815. It would end at 8.45 in time for school to start with infants being escorted to their site.

It would cost £1.00 per day.

## Interested?

Please fill in the form showing your interest at this stage and we'll get back to you if the scheme is feasible.
